

Autism Diagnostic Observation Schedule, Second Edition (ADOS-2)

Autism Diagnostic Observation Schedule, 2nd Edition (ADOS-2) 2021 Clinical Training Workshop

This training is for professionals interested in becoming a certified ADOS-2 examiner. Payment must be paid in full prior to May 1, 2024. Attending ALL three days will allow you to assess people of all ages from 18 months through adulthood. Please complete the attached registration form and submit via email to Dr. Kerri Duncan, Hart4autism2017@gmail.com. Details on payment information is located on the registration form.

ADOS-2 Clinical Training (Modules 1-4) and Toddler Module MAY 7, 8, & 9TH, 2024

Fee: \$749

This 3-day Clinical training covers all modules of the ADOS-2 and will include lectures, videos, demonstrations of administration and scoring, and discussions. One video evaluation will be conducted each day for coding purposes. This training is designed for researchers and clinicians with prior background in autism spectrum disorders and formal testing such as BCBA's, speech- language pathologists, physicians, psychologists, and occupational therapists. This workshop serves as a pre-requisite for more thorough training required to obtain research reliability needed to use the ADOS-2 for research purposes. Attending this training will meet the requirements needed to administer the ADOS-2. ***(If you are interested in ONLY the Toddler Module and you have PROOF of training for Modules 1-4, you may attend the Toddler module on Dec. 9th for \$300. You must specify and send your certificate for Modules 1-4)***

Prior to attending training, you will need to have access to an ADOS-2 manual. Please have an ADOS-2 Manual available for the three-day event. *(The manual is strongly recommended but not mandatory)* Each attendee will be mailed a copy of each protocol to be used during a video assessment demonstration presented each day. ADOS-2 kits, manuals and protocols are available through Western Psychological Services at 1-800-648-8857 or at www.wpspublish.com.

OUR INSTRUCTOR

Dr. Norm Geller has been helping children, adults, and families through assessments, evaluation, and educational program planning for over 35 years. He received his Ph.D from Virginia Commonwealth University and his Master's Degree from Vanderbilt University. He specializes in learning disabilities, ADHD, autism, and psycho-educational assessment. In addition to assessment, Dr. Geller is an independent international trainer who provides professional development workshops on the ADOS-2. Dr. Geller holds appointments at both Virginia Commonwealth University in the School of Education and the University of Richmond T.C. Williams School of Law. He has worked on specialized assessment teams at the Virginia Treatment Center for Children specializing in ADHD, mood disorders, and autism.
